

# **Engage the Group, Engage the Brain: 100 Experiential Activities for Addiction Treatment**

**by Kay Colbert, LCSW and Roxanna Erickson Klein, PhD, LPC**

Published by Central Recovery Press, November 2015

A highly innovative collection of activities for use with groups and individuals in addiction treatment settings. Designed to creatively utilize the mind-body connection, these activities are engaging and fun, linked with evidence-based interventions and drawn on emerging brain research, providing a window into reaching clients who may be resistant to traditional talk therapy.
